**Addendum #6
February 28, 2020**

This addendum provides an update to [Addendum #5](#) that inserts a reference to Section B (see italics below). In its entirety, the following replaces Addendum #5:

- The California Department of Public Health, Maternal, Child and Adolescent Health Division (CDPH/MCAH) received four (4) applications that did not include audited financial statements as required in the RFA on page 38.
 - Note: All other required documents were submitted by these Applicants and by all other Applicants.
- CDPH/MCAH's response to this situation is as follows:
 - These four Applicants will be notified and will have until January 31, 2020 to submit the required documents.
 - If the Applicant complies with this deadline and submits the required documents, they will be considered in the Stage 2 review process.
 - For each of these Applicants that advances to Stage 2, CDPH/MCAH will deduct five (5) percent of the total available points *in Section B. Agency Experience and Organizational Capacity (rounded to the nearest whole number)* for the delayed submission of this component.
 - Failure of the Applicant to submit the required documents will result in the application being considered incomplete and non-responsive, and therefore, rejected from consideration.
- CDPH/MCAH notified these Applicants via email on January 24, 2020 and provided instructions for submittal.
