Visit www.choosemyplate.gov to find the amount of grains, vegetables, fruits, dairy and protein foods you should eat daily. These values change based on how many calories you need to eat each day (included on the website tool) and your level of physical activity. This website also has great tools that help you to eat healthy and keep a healthy weight.

**Preparation**

1. In a medium bowl, combine mayonnaise, mustard, and egg white. Add tuna, 1/4 cup breadcrumbs, and green onions. Mix well.
2. Divide mixture into 4 equal portions, shaping each into a 4-inch patty. Press remaining 1/4 cup breadcrumbs evenly onto both sides of patties.
3. Coat a large skillet with cooking spray or lightly brush with oil. Place over medium heat, add patties, cover, and cook 3 minutes on both sides until golden brown.
