Background

On October 17, 2013, the California WIC Vendor Authorization Criteria became effective, requiring vendors to comply with WIC Bulletin Regulations (W.B.R) §70600, Competitive Price Criteria. Competitive Price Criteria requires vendors to submit their shelf prices to the Department.

Authority

Federal regulations (7 C.F.R. §246.12(g)(4)(ii)(B)) and State regulations W.B.R §70600 require the Program to collect vendor shelf prices every six months to evaluate vendor compliance with cost containment measures. Federal regulation 7 C.F.R. §246.12(h)(3)(xxiv) requires vendors to comply with the vendor selection criteria throughout the agreement period, including any changes to the criteria.
