## 8 Steps to Conducting a WIC Transaction

Request the WIC ID folder and check for signature.

Ask for the food instruments (FIs) being used for that day's transaction.

Group the WIC foods by food instrument. Check for authorized foods (what to buy), and the correct quantities.

Enter the exact purchase price on the food instrument.

Ask the WIC shopper to sign each food instrument after the exact purchase price is entered.

- Compare the shopper's signature on the food instrument with the signature on the WIC ID folder.
- Give the WIC ID folder back and cash register receipt to the shopper when they have finished using all of their FIs.
