How to Count Infant Fruits and Vegetables

Infant Fruits and Vegetables are counted by individual container:

2-PACK = 2 Containers

Example: To equal 18 containers, you can mix and match single containers and multi-packs.

4-PACK + 4-PACK + 2-PACK = 18 Containers

4-PACK + 4-PACK + 2-PACK + 2-PACK = 18 Containers

4-PACK + 4-PACK + 2-PACK + 2-PACK + 2-PACK = 18 Containers
