

ADMINISTRATION POLICIES & PRACTICES WPPM #190-30

Subject: Local Agency Staffing Requirements

Item: National Voter Registration Act (NVRA) Training

PURPOSE:

To ensure local agencies (LAs) require all LA staff to complete the annual NVRA training in compliance with the National Voter Registration Act (NVRA) of 1993 and California law.

POLICY:

- I. LAs are Voter Registration Agencies per the NVRA and must provide voter registration information and assistance to the public. Refer to WPPM 700-06.
- II. The LA must ensure that all newly hired direct service staff receive the required training within three months of hire. Refer to WPPM 1000-30.
- III. The LA must ensure that all direct service staff receive the required training annually (once each calendar year) on NVRA related laws and procedures.
- IV. LAs may develop their own training covering the required components in the Local Agency Developed Training Checklist: NVRA
 - A. Checklist must be completed and submitted to CDPH/WIC annually as part of the Nutrition Services Plan.
 - B. LA staff must maintain the annual approved checklist for review at Program Monitoring Visits.
- V. The LA NVRA Coordinator is responsible for tracking and maintaining records of staff completions of the NVRA training. Refer to WPPM 700-06.

PROCEDURES:

- I. The LA must use the CDPH/WIC developed NVRA training on the Learning Management System (LMS), the California Secretary of State (SOS) training, or LA developed training with approved checklist to conduct the annual training.
- II. The LA must maintain a record of staff attendance at the training by tracking completion in the LMS. The LMS will maintain a permanent record of the date training was completed.
