   1. If an applicant fails to provide acceptable proof of ID, LA staff must:
      a. Permit an applicant to self-declare ID for a maximum of 30 days. LA staff must:
         i. Certify or recertify the applicant.
         ii. Select No Proof Provided (Signed Self Declaration Required) option from the WIC WISE dropdown menu.

         vi. Issue only one month of food benefits.
      b. If the applicant provides an approved proof of ID within 30 days and is found eligible, LA staff must document proof in WIC WISE. The certification period begins with the month food benefits were initially issued.

D. Exceeding 30 days with No Proof of ID
   1. If the applicant exceeds 30 days but then provides an approved proof of ID, LA staff must use the reinstate function in WIC WISE.
   2. If the applicant exceeds 30 days and still fails to provide an approved proof of ID, the applicant must be determined ineligible. While the applicant must be given the opportunity to appeal this action, this is an initial determination and does not require a 15-day advance written notice of action. The determination of ineligibility is effective immediately. LA staff must:
      a. Complete termination in WIC WISE.
      b. Not issue further food benefits to the applicant.
      c. Issue CDPH 4134 Notice of Action at Certification and Recertification to the applicant.
   3. If an applicant has been issued a CDPH 4134 and then provides proof of ID, LA staff must certify the individual provided they still meet the conditions for all other eligibility requirements.
