Welcome to WIC

WIC is a Nutrition Program that serves people who are pregnant, people who have recently been pregnant, infants, and children up to their 5th birthday.

Moms, dads, grandparents, foster parents, other caregivers, and guardians may apply for the children they are raising. Many working families, including military and migrant workers, as well as families that have private health insurance, are surprised to learn that they qualify for WIC.

WIC provides a variety of nutritious foods, nutrition education, support for breastfeeding, and referrals to other services in your community.

About Your WIC Appointment

When enrolling in WIC or recertifying for WIC benefits, WIC staff will ask for information to make sure you are eligible.

WIC staff may ask you to bring your infant or child to the WIC office. They may also ask you to provide:

- Identification
- Proof of your address
- Proof of your family's household income
- Proof of pregnancy
- Medical forms filled out by your health care provider

During WIC appointments you receive your WIC food benefits and nutrition education. Many WIC offices offer video appointments and online education as well.

What if I Cannot Keep My WIC Appointment?

Call your local WIC office to reschedule.

You also can choose a person to do your WIC appointments for you. This person is called a caretaker. WIC staff will need to know the name of your caretaker to put in your WIC file.

Your WIC caretaker:

- Must show identification to the WIC office staff
- Can complete recertification or follow-up appointments for you
- Can shop for you

Using Your California WIC Card

You will receive a reusable California WIC Card from your WIC office. All your family's WIC food benefits are together on one WIC Card. The WIC Card is like a debit card and makes shopping easy. Keep your WIC Card safe. Never throw it away. Always bring your WIC Card to the grocery store when shopping for WIC foods.

Always bring your WIC Card to the grocery store when shopping for WIC foods.

Your Personal Identification Number (PIN)

When you get your California WIC Card, you need to choose a 4-digit Personal Identification Number or PIN. Use your PIN with your WIC Card every time you shop for your WIC foods. Choose a PIN that is easy for you to remember and hard for others to guess.

Keep your PIN safe:

- Do not write your PIN on your WIC Card or anything you keep with your WIC Card.
- Do not share your PIN with others. If you have someone shop for you, share your PIN only with a person that you trust.
- Do not share your PIN with any store staff.
- Carefully enter your PIN at the store. You have 4 chances to enter it correctly. After 4 tries, your WIC Card will be locked and you will not be able to get your WIC foods. Call the toll-free customer service number 1-844-4MY-FAMILY (1-844-469-3264) on the back of your WIC Card to reset your PIN.

When someone learns your PIN without your approval, you will need to change your PIN. If someone takes your WIC Card and knows your PIN, they could get your WIC foods.

Your WIC Food Balance

Your WIC Food Balance shows the foods and the amounts available to your family every month. As you shop and use your WIC foods, your Food Balance will change. Be sure to shop for all of the foods in your WIC Food Balance before they expire.

There are many ways to find your WIC Food Balance:

Use the free California WIC App on your smart phone.

Get a printout at your WIC office.

Look at your store receipt from your last shopping trip.

Ask the cashier or customer service desk at the store to print out your WIC Food Balance.

Call the toll-free customer service number on the back of your WIC Card, 1-844-4MY-FAMILY or 1-844-469-3264.

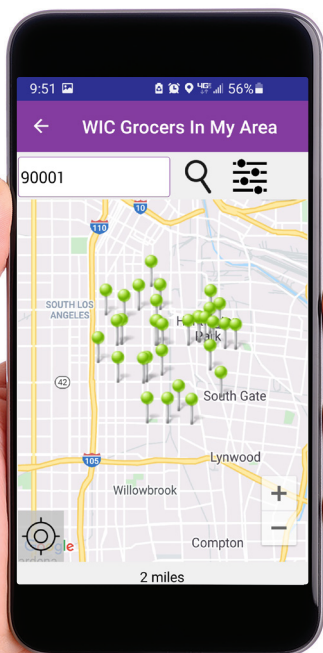

Pay close attention to the start and end dates of your family's food benefits. Your WIC food benefits are good for about 30 days and expire at midnight on the end date. Benefits do not carry over to the next month.

Finding a WIC Authorized Store

Use your WIC Card only at stores authorized to accept WIC. To find a WIC authorized grocery store:

- Use the free California WIC App on your smart phone.
- Go online to www.MyFamily.WIC.ca.gov.
- Look for the WIC Card sign near the front door or window of the store.

At the Store

You can use your WIC Card to get just what you need at each shopping trip. There are several ways to check the brands, sizes, and types of WIC foods you can get:

- Use the free California WIC App to scan the barcode and see if the food is available in your benefit balance.
- Look at your WIC Shopping Guide.
- Ask a store employee for help.

Separate your WIC foods from your non-WIC items as you shop. Keeping your WIC foods separate will make checking out easier. Some stores may have to scan your WIC foods first.

Checking Out at the Grocery Store

Stores have slightly different checkout systems. Follow the instructions from the cashier at your store.

Start your checkout:

Separate your WIC foods from your non-WIC items. Some stores may need to scan your WIC items first.

Ask the cashier when to swipe your WIC Card and enter your PIN.

Always swipe your WIC Card first before using other forms of payment, such as CalFresh, debit card or cash.

Pay close attention as the cashier scans each WIC item.

After the cashier scans all your items:

Look over your WIC purchases and make sure all items are correct before your sale is totaled. The cashier may give you a receipt or show you a screen to review.

Confirm all your purchases are correct using the card machine. Any foods not available in your WIC Food Balance can be put back or bought using another form of payment.

Tell the cashier if you want to put something back before the cashier gives you the final receipt.

Give the cashier your store loyalty card and any coupons you have.

Pay for any non-WIC items using another form of payment.

Wait for the cashier to complete the sale and give you a final receipt. Save your receipt in a safe place, such as your wallet.
