

U.S. Antibiotics Awareness Week 2018: Resources for Appropriate Antibiotic Use in Imperial County Healthcare Facilities

Wednesday, November 14, 2018 | 11:30-12:30PM

To improve antibiotic use and combat antibiotic resistance, the California Department of Health Healthcare-Associated Infections Program is hosting a U.S. Antibiotics Awareness Week webinar for Imperial County clinics and healthcare facilities. This webinar will highlight resources that may be used for both patient and staff education to promote appropriate antibiotic use in the community.

Webinar Agenda

- 11:30AM **Welcome/Introduction**
- 11:40AM **U.S. Antibiotics Awareness Week and Imperial County Antibiotic Resistance Prevention Collaborative**
Erin Epton, MD
- 11:50PM **Review Resources and Website for Imperial County**
Tracy Lanier, Erin Garcia
- 12:10PM **Local Examples of Implementation**
- 12:25PM **Next Steps**

Audience

Infection preventionists, clinic managers, and staff from all Imperial County healthcare facilities where antibiotics are prescribed!
