Review and Approve Meeting Summary
• Review meeting minutes from October 25, 2017

Item 1. Review Mission of the Public Reporting and Education Subcommittee
• Mission Statement: The Mission of the Healthcare Public Reporting and Education Subcommittee is to inform the public of healthcare specific HAI rates and provide educational materials for prevention.

Item 2. Unfinished Business
• Interactive Map: what happens if the public identifies a high infection rate for a specific organization? What are the next steps?
• Add a link to APIC on Me and My Family page. Do we need a motion?
• Follow up on identifying a consumer focus group to review the CDPH HAI interactive map site for opportunities to improve.
• Do we want a link on Facebook/social media to the CDPH HAI web site? Do we need a motion?
• Review Title 22 for adverse events
• Local public health departments email HANS alerts to providers which outlines specific public health concerns. Need discussion on periodically posting one of the alerts on the CDPH web site that may identify an infection/alert that was above baseline and a brief summary of what consumers may do.

New Topic:
1. New member(s) to subcommittee – Jackie Daley
2. 2018 meeting dates

Reminder:
1. No subcommittee meeting in December
2. Next HAI Advisory Committee meetings – February 8, May 10, August 9, November 8, 2018
