Summary
The summary for the February 7, 2019 meeting was unanimously approved.

Item 1. Immunization to prevent HAI recommended for educating the public.
Discussion: Place a link on the ‘Me and My Family’ page on preventing infection and include what is happening currently related to immunizations and outbreaks.
Next meeting develop a motion and present at August, HAI Advisory Committee meeting.

Item 2. Did you Know – Recommend information to add to the Me & My Family page.
Discussion: None at this meeting.

Other items not on the agenda

Item 3. AS/AR Subcommittee collaboration
Discussion: The subcommittee agreed to collaborate with the AS/AR subcommittee to get information out to the public on “Trailblazers of ASP”. The goal is to get the word out more broadly on some of the great work happening on reducing use of antibiotics. The joint meeting would accomplish the following:
1. Identify how we can work across the 2 committees to highlight trailblazing efforts in at least 4 key areas of healthcare: acute care hospitals; long term acute care hospitals; ambulatory care (offices and ASC’s); skilled nursing facilities.
2. Determine how to divide the scope of work. For example, AS/AR committee are experts who identify content and which trailblazing efforts to highlight; public reporting committee works to create consumable information on the content to tweet, post on Facebook, links on internet, placement on CDPH HAI website.

3. Design a process to bring a motion for approval to the August HAI Advisory committee meeting so that we have a consumable product we can communicate immediately after the meeting should the committee approve.

**Action:** Tricia to reach out to the AS/AR committee chair to set up a joint meeting.

**Item 4. Tweets**

**Discussion:** The committee would like to have approval and send out links and/or tweets before September 2019 before world Sepsis Day. Carole Moss will be at the United Nations and would be able to highlight our efforts internationally.

**Reminder:**

1. Next PRE Subcommittee Meeting scheduled for April 4, 2019.
2. Next HAI–Advisory Committee Meeting Schedule for May 9, 2019 in Richmond.

**Adjourn**

Meeting adjourned at 10:56 AM
