Summary
The summary for the July 19 and 26 meeting were approved with changes.

Unfinished Business
   • Antibiotic Resistance Challenge – The subcommittee discussed the world-wide challenge and whether the CDPH HAI Advisory Committee could be partners. The campaign starts November 12, 2018. Information regarding antibiotics, food and animals was shared and the discussion of One Health was proposed as a topic at the September subcommittee meeting. Carole Moss will share a link on antibiotic and food.
   • The subcommittee discussed Be Antibiotic Aware and placing the link under Me and My Family page.

HAI AC Review
   • The PRE Subcommittee reviewed the motion regarding Sepsis to the HAI Advisory Committee. The motion to add Sepsis information to the website was approved.

Future Topics
   • Tweets regarding antibiotic usage, resistance and food to educate the public.
   • Discuss One Health

Reminder:
   1. Next HAI–Advisory Committee Meeting Schedule for November 8, 2018 in Richmond.
   2. Next PRE Subcommittee Meeting scheduled for October 18, 2018.
