TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F 600	<p>Continued From page 3</p> <p>Review of Resident 1's H&amp;P examination dated 7/18/23, showed Resident 1 did not have the mental capacity to make informed decisions.</p> <p>Review of Resident 1's MDS dated 10/3/23, showed Resident 1 had severe cognitive impairment.</p> <p>Review of Resident 1's Progress Notes dated 10/3/23 at 1545 hours, showed a change in Resident 1's condition when the registered nurse went into Resident 1's room where Resident 1 was found sitting in his wheelchair with a bloody nose and redness on the face. Resident 2 was observed grabbing Resident 1's shirt with his right hand in a closed fist. Both residents were immediately separated. Resident 1 received first aid treatment for his injuries.</p> <p>On 10/5/23 at 1330 hours, a concurrent interview and medical record review was conducted with the DON. The DON verified there was no care plan for Resident 2's behaviors of wandering and going into other residents' rooms. The DON stated it should have been put on the care plan and these behaviors should have been monitored by the staff.</p>	F 600
