Provider Identification Number: 555342

OCT 0 1 2021

L & C DIVISION SAN JOSE

C4190 T22 DIV5 CH3 ART5-72523 (c)(3) Patient Care Policies and Procedures

(c) Each facility shall establish and implement policies and procedures, including but not limited to

(3) infection control policies and procedures.

CDPH Findings:

During an observation on 9/9/21 from 12:40pm – 12:50pm., certified nurse assistant A (C.N.A. A) sat next to Resident 1 in the hallway in front of the nursing station. There was no six feet social distancing between C.N.A. A and Resident 1.

Resident 1 wore a mask under her nose.

Resident 1's face mask constantly slipped under Resident 1's nose.

Corrective Action for Affected Residents:

Resident 1 is ensured for safety with no signs and symptoms related to Covid 19.

Surgical face mask was immediately placed above the nose of the resident. Afterward, different approaches were tried immediately to keep face mask covering nose and mouth. Finally face mask was replaced with smaller face mask which fit snugly the sides of face.

An in-service to maintain six feet distancing was done by the Infection Preventionist (IP) on 9-10-21.

An in-service on these deficiencies were also done by the IP on 9-10-21.

Identifying other Potential Residents:

All residents in facility ensured for safety and currently with no signs and symptoms related to Covid 19.

All team members were immediately coached and in serviced by IP to observe all residents at the front lobby with loose face masks daily. The staff is putting the loose mask back covering resident's nose, mouth and secure it under their chin. If mask is still big for their face staff will replace face mask with smaller face mask.

Systemic Change to Prevent Recurrence:

One on one in-service provided to staff member involved regarding core principles and social distancing.

Facility will ensure that all residents and staff wear well fitted face mask (covering nose and mouth snugly to the side of the face) while indoors in facility to prevent spread of Covid 19.

Facility will ensure residents and staff to maintain six feet social distancing to prevent spread of Covid 19.

Random checks on a daily basis by the Director of Staff Development (DSD)/IP or designee. An inservice on these deficiencies were done by the IP on 9-10-21.

Monitoring and Evaluation of Plan:

Clinical team including IP/DSD will do daily round to ensure all residents and staff wear appropriate fitted face mask covering nose and mouth and maintain six feet social distancing between individuals.

The DSD/IP or designee will monitor the compliance of these deficiency corrections daily. Negative findings will be immediately corrected and discussed at the monthly Quality Assurance meetings with further action as deemed necessary.

Corrective Action Completion Date: 9-27-21
