F 000	INITIAL COMMENTS  The following reflects the findings of the Department of Public Health during the investigation of a complaint.  Complaint number: 555644  Representing the Department: Health Facilities Evaluator Nurse ID: 36526  The inspection was limited to the specific entity-reported incident/complaint investigation and does not represent the findings of a full inspection of the facility.  Four deficiencies were written as a result of complaint 555644.  F 157 NOTIFY OF CHANGES SS=D (INJURY/DECLINE/ROOM, ETC) CFR(s): 483.10(g)(14)  (g)(14) Notification of Changes.  (i) A facility must immediately inform the resident; consult with the resident's physician; and notify, consistent with his or her authority, the resident representative(s) when there is-  (A) An accident involving the resident which results in injury and has the potential for requiring physician intervention;  (B) A significant change in the resident's physical, mental, or psychosocial status (that is, a deterioration in health, mental, or psychosocial status in either life-threatening conditions or clinical complications);	F 000	This plan of correction (POC) constitute my written credible allegations of compliance to the deficiencies noted. This POC is submitted to meet requirements established by existing federal, state, and local statutes, rules and regulations.		
F 157		F 157	F 157  1/29/18 DON had 1:1 in service about notification of family if any change of condition. On 9/13/17 an IDT was done with responsible party and other family regarding incident and plan of care.

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F 157	<p>Continued From page 2</p> <p>Findings:</p> <p>A review of the facility's Final investigation report, dated 9/15/17, indicated the facility reported an allegation of physical abuse that occurred on 9/6/17 to the Department on 9/11/17. The report indicated that on 9/10/17, Resident 1's family contacted the Police Department (PD) to investigate an alleged abuse of CNA 1 holding Resident 1's hands down to prevent Resident 1 from striking out at CNA 1 during lunchtime. According to the report, Resident 1 did not want to eat, but was being forced by CNA 1.</p> <p>A review of the Resident 1's Admission Record (face sheet) indicated resident was admitted to the facility on 3/5/12. Resident 1's diagnoses included dementia (decreased in ability to remember) and anemia (deficiency of red blood cells or of hemoglobin in the blood). According to the face sheet, Family Member 1 (FM 1) was listed as Resident 1's Responsible Party (RP).</p> <p>A review of Resident 1's Minimum Data Set (MDS), a resident assessment and care-screening tool, dated 10/10/17, indicated the resident was severely impaired of cognition (thought process) and had a brief interview for mental status (BIMS) score of 4 (0-7 severe impairment). The MDS indicated Resident 1 required extensive assistance from one person with eating and all activities of daily living (ADL's), and was dependent on a wheelchair for locomotion.</p> <p>On 10/5/17 at 3:30 p.m., during a telephone interview, FM 1 stated that he contacted the PD because Resident 1 had injuries to both arms.</p>	F 157

F 157	Continued From page 3  On 10/5/17 at 4:22 p.m., during an interview, the Director of Nursing (DON) stated that she told Licensed Vocational Nurse 1 (LVN 1) to contact Resident 1's family and notify them about the incident of alleged abuse.  A review of the licensed progress note, dated 9/6/17 to 9/12/17, indicated there was no documentation of attempts made by the facility staff to contact FM 1.  A review of the Interdisciplinary Team (IDT) group of disciplines that meet for a common goal for the resident) note, dated 9/13/17, indicated that on 9/10/17, FM 2 inquired about Resident 1's arm injuries. The IDT note indicated that Resident 1's roommate (Resident 2) notified FM 2 of the injuries that were caused by CNA 1. According to the note, FM 1 was immediately contact.  A review of the facility's policy titled, "Plan of Care for Resident Concern and/or Change of Condition," dated 7/2012, indicated that the family or RP must be notified if there was any concern or injury and/or prior to implement any plan/transferring the resident from the facility. If the license nurse was unable to notify the family or RP and resident must be transferred, a few hourly documentation on the nurses' notes was to be done regarding the attempt to notify until the notification has been completed. F 225	<p>Continued From page 11</p> <p>A review of the facility's Final Investigation report, dated 9/15/17, indicated the facility reported an allegation of physical abuse that occurred on 9/8/17 to the Department of Public Health (DPH) on 9/11/17. The report indicated while feeding Resident 1, CNA 1 held the resident's hands down to prevent the resident from hitting CNA 1. According to the report, Resident 1 did not want to eat.</p> <p>A review of Resident 1's Admission Record (face sheet) indicated the resident was admitted to the facility on 3/5/12. Resident 1's diagnoses included dementia (decreased in ability to remember) and anemia (lack of red blood cells).</p> <p>A review of Resident 1's Minimum Data Set (MDS), a resident assessment and care-screening tool, dated 10/10/17, indicated the resident had severe impaired cognition (ability to think and reason) and a brief interview for mental status (BIMS) score of 4 (0-7: severe impairment). The MDS indicated Resident 1 required extensive assistance from one staff for eating and activities of daily living and was dependent on a wheelchair for locomotion.</p> <p>On 10/5/17 at 4:22 p.m., during an interview, the Director of Nursing (DON) stated on 9/8/17, she reported Resident 1's skin tears to the Administrator. The DON stated physical abuse needed to be reported to DPH within 24 hours of the alleged abuse incident. The DON stated that during the facility's investigation, CNA 1 stated that she held Resident 1's hands down to protect herself from being hit by the resident.</p> <p>On 10/5/17 at 4:52 p.m., during an interview, the</p>	F 225

F 225	Continued From page 12 Administrator stated that she was made aware of the incident the night of 9/6/17. The Administrator stated that she failed to report the incident to DPH because there was a possibility that the injuries were caused by Resident 1 not wearing her Geri sleeves while in the wheelchair.  A review of the facility Policy titled, "Unusual Occurrences," dated 12/2007 indicated that the facility would report allegations of abuse, neglect, and misappropriation of property. Unusual occurrences will be reported via telephone to appropriate agencies as required by current law and/or regulations, and within 24 hours of such incident or as otherwise required by federal and state regulations.	F 225			
F 250 SS=D	PROVISION OF MEDICALLY RELATED SOCIAL SERVICE CFR(s): 483.40(d)  (d) The facility must provide medically-related social services to attain or maintain the highest practicable physical, mental and psychosocial well-being of each resident. This REQUIREMENT is not met as evidenced by: Based on interview and record review, the facility failed to follow its policy by not providing medically-related social service interventions after an injury caused by a certified nurse assistant (CNA 1) for one of three sampled residents (Resident 1).  This deficient practice had the potential for Resident 1 and other residents to not receive psychosocial and emotional support.	F 250	F 250  2/5/18 Administrator in-serviced SSD regarding providing medically-related social service interventions after an injury caused by staff. If SSD unavailable on weekends, then Manager of the Day will provide interventions. IDT and care plan will be created upon notification of injury.  No other residents were found to be affected by this deficient practice.
