F 000	INITIAL COMMENTS  The following reflects the findings of the California Department of Public Health during the investigation of three facility reported incidents.  Facility reported incident numbers: CA00878902, CA00878168, and CA00879599.  Representing the Department: HFEN #38108 and #36924  The inspection was limited to the specific facility reported incidents investigated and does not represent the findings of a full inspection of the facility.  One deficiency was written for facility reported incident # CA00878168.  One deficiency was written for facility reported incident # CA00879599.  No deficiency was written for facility reported incident #CA00878902.	F 000	Country Villa Claremont Healthcare Center submits this response and plan of correction as part of the requirements under the state and federal law. The Plan of Correction is submitted in accordance with specific regulatory requirements. It shall not be construed as admission of any alleged deficiency cited or any liability. The provider submits this plan of correction with the intention that it is inadmissible by any third party in any civil, criminal action or proceedings against the provider or its employee, agents, officers, director, or shareholders. The provider reserves the right to challenge the cited findings if at any time the provider determines that the disputed findings are relied upon in a manner adverse to the interests of the provider either by the governmental agencies or third party. The facility desires that this plan of correction be considered the facility's allegation of compliance.

F 557	Continued From page 4  During an interview with Certified Nurse Assistant 5 (CNA 5), on 1/19/24 at 2:37 pm, CNA 5 stated 1/18/24 was [a] very busy [night]. CNA 5 stated CNA 5 attempted to help the residents assigned to CNA 5, but CNA 5 only had two hands. CNA 5 stated residents assigned to CNA 5 waited up to one hour to receive care. CNA 5 stated CNA 5 only had two hands and did the best CNA 5 could to assist residents (in general) and change resident's soiled [adult briefs].  During a review of the facility's "Assignment Sheet (AS)" for the evening shift (3 pm to 11 pm), the "AS" indicated CNA 5 cared for Residents 7 and Resident 8 on 1/18/24.  During an interview with the Director of Nursing (DON) on 1/19/24 at 3:24 pm, the DON stated call lights should be answered with in 15 minutes. The DON stated call lights should be answered by all staff. The DON stated residents waiting 1, 2, or 3 hours to have a soiled diaper (briefs) changed was unacceptable because [there was a] risk of skin breakdown, contracting a UTI, and a risk of possible falls. The DON stated dignity also played a factor and there was a potential to affect resident's psychosocial health.  During a review of the facility's policy and procedure (P&P), titled "Resident Rights - Quality of Life," revised on 3/2017, indicated to ensure that each resident receives the necessary care and services to attain or maintain the highest practicable physical, mental, and psychosocial well-being, consistent with the resident's comprehensive assessment and plan of care. Each resident shall be cared for in a manner that promotes and enhances the quality of life, dignity,	F 557
