

California Deaths Due to All Causes, January 2017 to November 2020

California Department of Public Health, Center for Health Statistics and Informatics, Vital Statistics Branch
Report Produced: December 15, 2020

Data Notes

Deaths: Counts are based on the date that the death occurred.

Geography: Counts are reported statewide and for each county based on where the death occurred. Counts exclude out-of-state deaths to California residents.

Frequency: Counts are reported based on the month in which the death occurred.

Completeness: Reported deaths for 2020 represent provisional counts based on the records available when the data was retrieved and may not represent all deaths that occurred during the time period. As a result, counts may differ from other published death data.

Data Suppression

Death counts less than 11 have been suppressed to protect the privacy of decedents in accordance with the California Health and Human Services Data De-identification Guidelines. <11 indicates suppressed, nonzero counts, less than 11.

Data Sources
