**Note:** All case histories and/or Confidential Morbidity Reports with 2017 illness onset date should be submitted and closed in the system by local health departments as soon as possible. The State needs additional time to review and close out the LHD-closed out cases that require State review before submission to the CDC.

Please see the following California State Program-specific closeout deadlines:

**Infectious Disease Branch (IDB): March 31, 2018 (Week 13)**

**Immunization Branch (IZB): February 28, 2018 (Week 09)**

**Sexually Transmitted Diseases (STD): March 31, 2018 (Week 13)**

Cases not submitted by the deadline for provisional counts may still be submitted for inclusion in the final 2017 count for California

Estimated closing date for 2017 data transmission to the CDC:

\*2018 Final **STD NETSS** to CDC during **Week 17**

<sup>†</sup> 2018 Final **IDB & IZB NETSS** to CDC during **Week 21**
