**NOTE:** May 6, 2022 (during Week 18) is the 2021 data year-end closeout deadline for diseases monitored by CDPH-Infectious Diseases Branch. All case histories and/or Confidential Morbidity Reports with 2021 illness onset dates should be closed by local health departments and submitted to CDPH by this date. The State needs additional time to review and close out the LHD-closed cases that require State review prior to their submission to the CDC.
