

CHECKING IMMUNIZATION REQUIREMENTS TK/K-12TH Grade

Request and review immunization records from every child. Records from all students will be needed for reporting and to monitor which students are unimmunized in case of disease exposures. Follow the decision tree below to determine whether a child may be admitted to school or not.*

* Please refer to the [California Immunization Handbook](#) at [ShotsForSchool.org](#) for additional information on school immunization requirements, including information on transfer and homeless/foster students, medical exemptions, and conditional admission.
