CalREDIE Provider Portal

From paper and fax machines to electronic reporting!

What is CalREDIE?

- California Reportable Disease Information Exchange (CalREDIE) is the California Department of Public Health's (CDPH) communicable disease reporting and surveillance system of record.
- It is used by state and local public health officials and healthcare providers for communicable disease reporting and surveillance.

What is the Provider Portal (PP)?

- Secure, web-based interface within CalREDIE
- Platform to electronically submit Confidential Morbidity Reports (CMRs)

How can I start using the PP?

1. Visit the CalREDIE Account Request Portal: CalREDIE Account Request Portal · CalREDIE
2. Submit the completed electronic form.
3. CalREDIE Help will provide your account information.
4. Start submitting!
