CalREDIE Provider Portal
From paper and fax machines to electronic reporting!

What is CalREDIE?
- California Reportable Disease Information Exchange (CalREDIE) is the California Department of Public Health's (CDPH) communicable disease reporting and surveillance system of record.
- It is used by state and local public health officials and healthcare providers for communicable disease reporting and surveillance.

What is the Provider Portal (PP)?
- Secure, web-based interface within CalREDIE
- Platform to electronically submit Confidential Morbidity Reports (CMRs)

How can I start using the PP?
1. Visit the CalREDIE Help website to access the Account Request Form.
2. Submit the completed form to your LHD representative.
3. CalREDIE Help will provide your account information.
4. Start submitting!
