MESSAGE FROM AIDS DRUG ASSISTANCE PROGRAM NOTICE OF PRIVACY PRACTICES

Effective March 23, 2015

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

AIDS Drug Assistance Program (ADAP) must keep your health information private. ADAP receives information about you when you apply for benefits and when your pharmacist sends ADAP a bill for your care. ADAP also receives medical information on your treatment when ADAP approves your care. ADAP must give you this notice about the law and how ADAP can use and share your health information and what your rights are.

HOW ADAP MAY USE AND SHARE INFORMATION ABOUT YOU

ADAP may only use and share information about you, as required or permitted by law, in the operation of ADAP, Ryan White HIV/AIDS Program, Covered California, and Medi-Cal. This information includes things like your name, address, personal facts, medical history, Social Security number and medical care given to you.

ADAP uses this information and shares it with others for the following reasons:

- **For payment:** ADAP and others that work with ADAP review, approve, and pay for pharmacy bills sent to ADAP for your medical care. When ADAP does this, ADAP shares information with the pharmacy benefits manager, pharmacists and doctors and others who bill ADAP for your care.
- **For health care operations:** ADAP may use your health records to check the quality of the prescription drug treatment you receive and to check your medical need to receive restricted ADAP drugs. ADAP may also use this information in audits or fraud investigations, or for planning and managing the ADAP program.
- **Eligibility Determination:** ADAP may share your ADAP information with a Covered California Certified Enrollment Counselor, or with a benefits counselor, case manager, or OA-Health Insurance Premium Payment Program (OA-HIPP) enrollment worker who is an employee or contractor of a Health Insurance and Portability and Accountability Act (HIPAA)-covered county health department delivering HIV or AIDS health care services, for the purpose of enrolling you in and

continuing your access to a Medi-Cal or Covered California health plan .

ADAP may also share your name and Social Security number or individual taxpayer identification number with the California State Franchise Tax Board. This allows ADAP to verify your income from reported tax records and allows us to obtain required financial documentation if you do not have these records.

SOME OTHER WAYS ADAP MAY SHARE YOUR INFORMATION

The law also allows ADAP to use or disclose information ADAP has about you for the following reasons:

- To contact you about your ADAP benefits.
- When required by state or federal law.
- To agencies that oversee audits or investigations for purposes directly related to ADAP.
- In appeals of decisions about health care claims paid or denied by ADAP.
- To the federal government when it is checking on how ADAP is meeting privacy laws.
- To other government agencies that give public benefits such as Medi-Cal, under specified conditions permitted by law.

ADAP may give out health information about you to organizations that help run the ADAP program. If ADAP does such disclosures, ADAP will make sure that it protects the privacy of your information ADAP shares.

Some state laws limit sharing the information listed above. For example, there are special laws, which protect information about HIV/AIDS status, mental health treatment, developmental disabilities, and drug and alcohol abuse care. ADAP will obey these laws.

WHEN WRITTEN PERMISSION IS NEEDED

If ADAP wants to use or give out personal and health information about you for any reason that is not listed above, ADAP must ask your permission in writing. You may take back your written permission at any time, except if we have already acted because of your permission.

WHAT ARE YOUR PRIVACY RIGHTS UNDER THE LAW?

You have the right to:

- Ask ADAP not to use or share your personal health care information in the ways listed above. However, ADAP may not be able to honor your request.
- Ask ADAP to contact you in writing only or at a different address, post office box,

or by telephone. ADAP will accept reasonable requests if needed for your safety.

- To see and get a copy of your ADAP information. You may have someone else see and get a copy of your ADAP information. ADAP has information about your eligibility, your health care bills, and some medical records that ADAP uses to allow or manage your health care services. You will need to pay a fee for ADAP to copy and mail the records. ADAP may keep you from seeing all or parts of your records when the law allows. If ADAP does deny your access request, ADAP will give you information on how to appeal our decision.
- To change the records if you believe some information ADAP has about you is wrong. ADAP may deny your request if the information was not made or kept by ADAP or the information is already correct and complete. If your request is denied, you may write a letter disagreeing with ADAP's decision and your letter will be kept with your records.

IMPORTANT

ADAP DOES NOT HAVE COMPLETE COPIES OF YOUR MEDICAL RECORDS. IF YOU WANT TO LOOK AT, GET A COPY OF, OR CHANGE YOUR MEDICAL RECORDS, PLEASE CONTACT YOUR DOCTOR, CLINIC, OR HEALTH CARE PLAN.

- You have the right to ask for a list of the times when ADAP has shared your health information after April 14, 2003. The list will tell you what information ADAP shared, with whom, when, and for what reasons. The list will not have when ADAP gave information to you, when ADAP had your permission to make a disclosure, or when ADAP shared your information for treatment, payment, or health care operations.
- You have a right to receive a written copy of this Notice of Privacy Practices when you request it. You can also find this notice on our website at <https://www.cdph.ca.gov/Programs/CID/DOA/Pages/OAadap.aspx>
