Subject: Addendum to Request for Applications (RFA) 25-10039

In an effort to provide guidance to those completing an application for the Housing Opportunities for Persons With AIDS (HOPWA) RFA 25-10039, the Office of AIDS (OA) would like to provide additional clarification on the Eligible Entity criteria section (page 5). The first paragraph should read:

Funding is to be awarded to one EE that has the organizational capacity to fulfill program and administrative requirements. The EE may be (1) a local government entity such as a local health department, housing authority, or community development agency or (2) a non-profit community-based organization such as an AIDS service organization. The EE must demonstrate their ability to administer housing programs and/or HIV services. The EE must have an existing infrastructure and be physically located in the service area.

EEs interested in applying must submit e-mail of intent to HOPWARFA@cdph.ca.gov no later than March 14, 2025. OA will send the EE the applicable attachments to complete the RFA application. EEs should describe how they intend to reach out to and serve Santa Barbara County residents in Attachment 3, Questions 1G, 2E, and 2F. Please refer to the RFA for additional information and deadlines.

Sincerely,
