Division 1. State Department of Health Services  
Chapter 13. Manufactured Cannabis Safety  
Subchapter 2. Manufactured Licenses  
Article 1. Applications for Licensure

**§40127. Temporary Shared-Use Facility Registration; Temporary Licenses: Type S**

(a) To request to register a licensed facility as a shared-use facility, as defined in Section 40190, a temporary licensee shall submit to the Department the following:

(1) Form DPH-9037 (Rev. 3/18), which is hereby incorporated by reference;

(2) A copy of the valid license, permit or other authorization issued by the local jurisdiction that enables the applicant to operate as a shared-use facility. Upon receipt of the registration application, the Department shall contact the applicable local jurisdiction to confirm the validity of the authorization. If the local jurisdiction does not respond within 10 calendar days, the Department shall consider the authorization valid.

(b) To request a temporary license for a Type S license, an applicant shall submit to the Department the following:

(1) Form DPH-9038 (Rev. 3/18), which is hereby incorporated by reference;

(2) A copy of the valid license, permit or other authorization issued by the local jurisdiction that enables the applicant to conduct commercial cannabis activity. Upon receipt of the license application, the Department shall contact the applicable local jurisdiction to confirm the validity of the authorization. If the local jurisdiction does not respond within 10 calendar days, the Department shall consider the authorization valid;

(3) The license number and address of the shared-use facility at which the applicant will conduct business; and

(4) The days and hours in which the applicant will conduct manufacturing operations.

(c) Temporary licenses and registrations issued pursuant to this section shall be subject to the terms and conditions of subsections (b), (c), (d), (e), and (f) of Section 40126.

Authority: Sections 26013 and 26130, Business and Professions Code. Reference: Sections 26050.1 Business and Professions Code.

## Article 6. Shared-Use Facilities

### §40190. Definitions

For purposes of this Article, the following definitions shall apply:

(a) “Common-use area” means any area of the manufacturer’s registered shared-use facility, including equipment that is available for use by more than one licensee, provided that the use of a common-use area is limited to one licensee at a time.

(b) “Designated area” means the area of the manufacturer’s registered shared-use facility that is designated by the primary licensee for the sole and exclusive use of a Type S licensee, including storage of the Type S licensee’s cannabis, cannabis concentrates, and cannabis products.

(c) “Primary licensee” means the Type 7, Type 6, or Type N licensee that has been registered and approved to operate as a shared-use facility.

(d) “Shared-use facility” means a manufacturing facility operated by a Type 7, Type 6, or Type N licensee in which Type S licensees are authorized to conduct manufacturing operations.

(e) “Type S” is a license that allows the license holder to conduct manufacturing operations at a shared-use facility.

(f) “Use agreement” means a written agreement between a primary licensee and a Type S applicant or licensee that specifies the designated area of the Type S licensee, the days and hours in which the Type S licensee is assigned to use the common-use area(s), any allocation of responsibility for compliance pursuant to Section 40196, and an acknowledgement that the Type S licensee has sole and exclusive use of the common-use area(s) during the Type S licensee’s assigned time period.

Authority: Sections 26012; 26013; and 26130, Business and Professions

Code. Reference: Sections 26001; 26011.5; 26050; 26051.5; 26055; and 26130, Business and Professions Code.

**§40191. Type S License.**

(a) Applications for a Type S license shall:

(1) Be made in accordance with Section 40128, except that the nonrefundable application processing fee shall be \$500 for each new application submitted;

(2) Identify the registered shared-use facility the applicant will use;

(3) Include a copy of the use agreement signed by both the applicant and the primary licensee, which shall be considered the landlord approval required pursuant to section 26051.5(a)(2) of the Act; and

(4) Include a diagram of the designated area to be used by the applicant and detailing where the applicant will store its cannabis, cannabis concentrates, and cannabis products.

(b) A Type S license shall only be available to applicants within Tier I or Tier II fee categories, as defined in Section 40150.

(c) A Type S licensee may conduct the following operational activities:

(1) Infusions, as defined in Section 40100(cc);

(2) Packaging and labeling of cannabis products;

(3) Extractions with butter or food-grade oils, provided that the resulting extract or concentrate shall be used solely in the manufacture of the Type S licensee's infused product, and shall not be sold to any other licensee.

Authority: Sections 26012; 26013; and 26130, Business and Professions

Code. Reference: Sections 26001; 26011.5; 26050; 26051.5; 26055; 26130 and 26180, Business and Professions Code.

**§40192. Registration to Operate a Shared-Use Facility.**

(a) No licensee shall operate as a shared-use facility without prior approval by the Department.

(b) To request approval to operate as a shared-use facility, a Type 7, Type 6, or Type N licensee shall submit the following to the Department through online submission:

(1) A copy of the local license, permit, or other authorization from the local jurisdiction explicitly authorizing operation of a shared-use facility.

(2) A registration form prescribed by the Department with the following information:

(A) The proposed occupancy schedule that the common-use area will be available for use by Type S licensees and when the common-use area will be used by the primary licensee. The occupancy schedule shall allow for adequate maintenance and sanitizing between use by individual licensees.

(B) A diagram indicating:

(i) Each designated area for a Type S licensee.

(ii) The common-use area(s), including identification of any shared equipment.

(c) The Department shall notify the Type 7, Type 6, or Type N licensee upon approval of the registration to operate as a shared-use facility.

(d) At least one business day prior to a Type S licensee commencing manufacturing operations at a registered shared-use facility, the primary licensee shall provide written notification to the Department. The notification to the Department shall include the Type S licensee's business name, contact person, contact phone number, and license number. The primary licensee shall also provide an updated occupancy schedule to include the Type S licensee and an updated diagram indicating the designated area of the Type S licensee. Notification may be provided by email or through the Department's online licensing system.

(e) A primary licensee that wishes to discontinue operation as a shared-use facility may cancel its registration by providing at least 30 days written notice to the Department and each Type S licensee authorized to use the shared-use facility prior to the effective date of the cancellation.

Authority: Sections 26012; 26013; and 26130, Business and Professions Code. Reference: Sections 26001; 26011.5; 26050; 26051.5; 26055; and 26130, Business and Professions Code.

**§40194. Shared-Use Facility Conditions for Operation.**

(a) A primary licensee shall operate the shared-use facility in accordance with the conditions of operation specified in this section.

(b) Each Type S licensee shall be assigned a “designated area” that, at minimum:

(1) Is for exclusive use by the Type S licensee;

(2) Provides an area for storage that is secure, fixed in place, locked with a commercial-grade lock, and accessible only to the Type S licensee for storage of that Type S licensee’s cannabis, cannabis concentrates, and cannabis products.

(c) Any part of the premises used for manufacturing activities that is a common-use area shall be occupied by only one licensee at a time by restricting the time period that each licensee may use the common-use area. During the assigned time period one licensee shall have sole and exclusive occupancy of the common-use area.

(d) The use of the shared-use facility shall be restricted to the primary licensee and the Type S licensees authorized by the Department to use the shared-use facility.

(e) Any cannabis product or other materials remaining after a Type S licensee ceases operation and discontinues use of its designated area shall be considered cannabis waste and disposed of by the primary licensee consistent with the requirements of the Act and regulations.

(f) The shared-use facility shall meet all applicable requirements of the Act and regulations.

(g) The occupancy schedule shall be prominently posted near the entrance to the shared-use facility. The primary licensee shall be responsible for maintaining an up-to-date occupancy schedule with the Department.

(h) The primary licensee may conduct manufacturing activities as permitted under its Type 7, Type 6, or Type N license and may use the common-use areas during its scheduled time period.

Authority: Sections 26012; 26013; and 26130, Business and Professions

Code. Reference: Sections 26001; 26011.5; 26050; 26051.5; 26055; and 26130, Business and Professions Code.

**§40196. Shared-Use Facility Compliance Requirements.**

(a) There may be an agreement between the primary licensee and the Type S licensee(s), as between themselves, to allocate the responsibility for providing and maintaining security devices, fire monitoring and protection, and other commonly used equipment and services, and liability for theft or violations; however, such agreement is not binding on the Department in taking any compliance or enforcement action.

(b) A primary licensee or a Type S licensee is liable for any violation found at the shared-use facility during that licensee's scheduled occupancy or within that licensee's designated area; however, a violation of any provision of the Act or regulations may be deemed a violation for which each Type S licensee and the primary licensee are responsible. In the event of a recall or embargo of a cannabis product produced at a shared-use facility, the Department, in its sole discretion, may include any or all cannabis products produced at the shared-use facility.

(c) The occupancy schedule and designated area for a Type S licensee shall not be altered without prior approval by the Department. A written request shall be submitted to the Department that includes the requested changes and may be submitted by email or through the online licensing system.

Authority: Sections 26012; 26013; and 26130, Business and Professions

Code. Reference: Sections 26001; 26011.5; 26050; 26051.5; 26055; and 26130, Business and Professions Code.
