

FOURTH SUPPLEMENTAL STATEMENT OF REASONS

The California Department of Public Health (Department) has instituted additional changes to these proposed regulations which are discussed below. An additional document relied upon, identified below, is added to the rulemaking file.

Documents Relied Upon: For purposes of Government Code section 11347.1, this document, "Fourth Supplemental Statement of Reasons," is added to the rulemaking file, deemed a document relied upon, and designated as **Reference 7**.

Regulation Text:

Section 30315.52: Except for the following, no additional changes to this section are proposed:

- Subsection (b)(1), last sentence: To address comments, the last sentence is revised to remove the phrase "or attending an identical course" for consistency with the last sentence of 21 CFR 900.12(a)(3)(iii)(A). Due to the number of revisions of the sentence, it is deleted entirely and rewritten so it can be read in one format style in lieu of multiple format styles, to maintain clarity.
