

UPDATED INFORMATIVE DIGEST

There have been no changes in applicable laws or to the effect of the proposed regulations from the laws and effects described in the Informative Digest/Policy Statement Overview as published in the Notice of Proposed Regulatory Action, except as follows:

- Additional 15-day public comment periods were conducted during which:
 - Provisions relating to diagnostic medical physicists and health physicists were deleted.
 - For consistency with the regulatory task, those persons performing radiation protection surveys pursuant to section 30312(b)(5) are now referred to as therapeutic survey physicists (TSP), and those performing calibrations pursuant to section 30312(b)(4) are now referred to as therapeutic calibration physicists (TCP).
 - For clarity and readability, the requirements, eligibility, and renewal provisions for TSPs and TCPs are restructured and divided into separate provisions.
