OAL Matter Number: 2018-1001-02

OAL Matter Type: Emergency Readopt (EE)

This emergency rulemaking action by the Department of Public Health readopts seven sections implementing the Medicinal and Adult-Use Cannabis Regulation and Safety Act (Senate Bill 94, Stats. 2017, Ch. 27). This action will: 1) establish the licensing scheme, including temporary licenses, for manufacturers of cannabis products to utilize shared-use facilities; and 2) establish a CEQA annual license application requirement.

OAL approves this emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the Government Code.

This emergency regulatory action is effective on 10/11/2018 and will expire on 4/10/2019. The Certificate of Compliance for this action is due no later than 4/9/2019.

Code. Reference: Sections 26050, 26051.5, 26130 and 26180, Business and Professions Code.

(5) Readopt §40192

§40192. Registration to Operate a Shared-Use Facility.

(a) No licensee shall operate as a shared-use facility without prior approval by the Department.

(b) To register as a shared-use facility, a Type 7, Type 6, or Type N licensee shall submit the following to the Department through the online licensing system available on the Department's website:

(1) A copy of the valid license, permit, or other authorization issued by the local jurisdiction that enables the licensee to operate as a shared-use facility. Upon receipt of the registration, the Department shall contact the applicable local jurisdiction to confirm the validity of the authorization. If the local jurisdiction does not respond within 10 calendar days, the Department shall consider the authorization valid.

(2) A registration form prescribed by the Department, which includes the following information:

(A) The proposed occupancy schedule that specifies the days and hours the common-use area will be available for use by Type S licensees and when the common-use area will be used by the primary licensee. The occupancy schedule shall allow for adequate maintenance and sanitizing between uses by individual licensees.

(B) A diagram indicating:

(i) Each designated area for Type S licensee(s).

(ii) The common-use area, including identification of any shared equipment.

(c) The Department shall notify the Type 7, Type 6, or Type N licensee upon approval of the registration to operate as a shared-use facility. Notification shall be made through the Department's online licensing system available on the Department's website.

(d) At least one business day prior to a Type S licensee commencing manufacturing operations at a registered shared-use facility, the primary licensee shall provide written notification to the Department. The notification to the Department shall include the Type S licensee's business name, contact person, contact phone number, and license number. The primary licensee shall also provide an updated occupancy schedule that includes the Type S licensee and an updated diagram that specifies the Type S

licensee's designated area. Notification shall be provided by email or through the Department's online licensing system available on the Department's website.

(e) A primary licensee that wishes to discontinue operation as a shared-use facility may cancel its registration by providing written notice to the Department and each Type S licensee authorized to use the shared-use facility at least 30 days prior to the effective date of the cancellation.

Authority: Sections 26012, 26013 and 26130, Business and Professions Code. Reference: Sections 26051.5, 26055 and 26130, Business and Professions Code.

(6) Readopt §40194

§40194. Shared-Use Facility Conditions for Operation.

(a) A primary licensee shall operate the shared-use facility in accordance with the conditions of operation specified in this section.

(b) Each Type S licensee shall be assigned a "designated area" that, at minimum:

(1) Is for exclusive use by the Type S licensee;

(2) Provides an area for storage that is secure, fixed in place, locked with a commercial-grade lock, and accessible only to the Type S licensee for storage of that Type S licensee's cannabis, cannabis concentrates, and cannabis products.

(c) Any part of the premises used for manufacturing activities that is a common-use area shall be occupied by only one licensee at a time by restricting the time period that each licensee may use the common-use area. During the assigned time period, one licensee shall have sole and exclusive occupancy of the common-use area.

(d) The use of the shared-use facility shall be restricted to the primary licensee and the Type S licensees authorized by the Department to use the shared-use facility.

(e) Any cannabis product or other materials remaining after a Type S licensee ceases operation and discontinues use of its designated area shall be considered cannabis waste and disposed of by the primary licensee consistent with the requirements of the Act and regulations.

DPH-17-013E - READOPTION
Cannabis Regulations for CEQA Compliance and Shared-Use Facilities
September 24, 2018

(f) The shared-use facility shall meet all applicable requirements of the Act and regulations.

(g) The occupancy schedule shall be prominently posted near the entrance to the shared-use facility.

(h) The primary licensee may conduct manufacturing activities as permitted under its Type 7, Type 6, or Type N license and may use the common-use area during its scheduled time period.

Authority: Sections 26012, 26013 and 26130, Business and Professions

Code. Reference: Sections 26011.5 and 26130, Business and Professions Code.

(7) Readopt §40196

§40196. Shared-Use Facility Compliance Requirements.

(a) As part of the use agreement, the primary licensee and Type S licensee(s) may allocate responsibility for providing and maintaining commonly used equipment and services, including, but not limited to security systems, fire monitoring and protection services, and waste disposal service. However, such agreement is not binding on the Department and the Department may take enforcement action against either the primary licensee or Type S licensee(s), regardless of the allocation of responsibility in the use agreement.

(b) A primary licensee or a Type S licensee is liable for any violation found at the shared-use facility during that licensee's scheduled occupancy or within that licensee's designated area. However, a violation of any provision of the Act or regulations may be deemed a violation for which each Type S licensee and the primary licensee are responsible. In the event of a recall or embargo of a cannabis product produced at a shared-use facility, the Department, in its sole discretion, may include any or all cannabis products produced at the shared-use facility.

(c) The occupancy schedule and designated area for a Type S licensee shall not be altered without prior notification to the Department. Prior to making any changes to the occupancy schedule or the designated area, written notification shall be submitted to the
