**Addendum**

**Readopt of Emergency Regulations for Cannabis Regulations for CEQA  
Compliance and Shared-Use Facilities  
DPH-17-013E**

This document is added to the rulemaking record for DPH-17-013E (Office of Administrative Law file number 2018-1001-02EE).

The regulation text noticed to the public for the re-adoption contained errors that have been corrected in the final text submitted to the Office of Administrative Law (OAL) for final approval. The final proposed regulation text for re-adoption has not changed in any way from the emergency regulation text now contained in the California Code of Regulations and approved by OAL on April 13, 2018, in file number 2018-0403-03E, and that was noticed to the public (except for one update to a cross-reference in a subsection shown in strikeout and underline).
