Title 17. Public Health  
Division 1. State Department of Health Services  
Chapter 8. Accreditation, Certification and Work Practices for  
Lead-Based Paint and Lead Hazards  
Article 2. Eligibility Requirements for Accreditation and  
Course Approval  

(1) Amend Section 35095 as follows:  

§ 35095. Application Requirements.  

(a) A complete application for certification shall consist of a non-refundable $87.00(application fee per certificate requested and a completed CDPH 8488 (6/18)(6/20), Application for Lead Certification, with required documentation:  

(1) Type of certification requested and amount of fee(s) paid:  

(A) Certified lead inspector/assessor;  

(B) Certified lead supervisor;  

(C) Certified lead sampling technician;  

(D) Certified lead project monitor; or  

(E) Certified lead worker.  

(2) Applicant's name, residence address, (and mailing address, if different), telephone number, date of birth, gender, race/ethnicity and photo identification number with a description of the photo identification document.  

(3) Documentation of applicant’s education, training, and experience, including:  

(A) An original Course Completion Form, CDPH Form 8493 (6/07), for a course issued by an accredited training provider.  

(B) A Proof of Experience CDPH Form 8539 (6/07) for each employer providing documentation of completion of lead-related construction or other applicable experience. Each Proof of Experience form shall contain:  

1. The applicant’s name;  

2. The name and address of the applicant’s employer;  

3. The name and telephone number of the applicant’s supervisor, or the names and telephone numbers of three client references, if self-employed;  

4. The applicant’s employment dates;
5. Descriptions of specific lead-related construction or other applicable activities performed;

6. Estimated percentage of time associated with lead-related construction or other applicable activities; and

7. The name, title, and signature of the applicant’s supervisor or employer, or the applicant’s signature, if self-employed, verifying, under penalty of perjury, that the information contained on the Proof of Experience CDPH Form 8539 (6/07) is true and correct.

(C) Evidence of completion of postsecondary education, such as a transcript or diploma.

(D) Certified Industrial Hygienists, who possess a Course Completion Form from a lead-related construction Certified Industrial Hygienist course, may substitute a copy of their American Board of Industrial Hygiene Certificate, or its equivalent, for evidence of both experience and postsecondary education documentation.

(4) Two passport style, 1 inch by 1 inch, photographs.

(5) Applicant’s signature and date signed, verifying, under penalty of perjury, that all information contained on and submitted with CDPH 8488 (6/18)(6/20), Application for Lead Certification, is true and correct.

(b) A complete application for certification renewal shall consist of a completed CDPH Form 8553 (6/07)(6/20), Renewal of Lead Certification, and a non-refundable eighty-seven one-hundred thirty-five dollar ($87.00)(135.00) application fee for each certificate renewal requested with the following required documentation:

1. If not submitted to the Department in the previous year, an original Course Completion Form CDPH Form 8493 (6/07) issued by an accredited training provider for:

   (A) General continuing education, if the application is for renewal of inspector/assessor, project designer, sampling technician, or project monitor certification; or

   (B) General continuing education or continuing education for workers, if the application is for renewal of supervisor certification; or
(C) Continuing education for workers, if the application is for renewal of worker certification.

(2) Documentation specified in subdivision (a)(2), and subdivision (a)(5); and

(3) Certificate number(s), expiration date(s) and amounts of fee(s) paid.

(c) Certified individuals shall notify the Department within 30 calendar days of a change of address.
