

# 2015 Public Health Accreditation Readiness Conference

Building Relationships and Strengthening Partnerships  
Across Jurisdictions Workshop:  
Statewide Technical Assistance

August 26 & 27, 2015

Betsy Armstrong  
County Health Executives Association of California  
(CHEAC)

# CalPIM Overview

## Objectives:

- \* What is the CalPIM Network?
- \* Where can I find the CalPIM Network?
- \* What information does the CalPIM website provide?
- \* When are CalPIM Network Webinars?
- \* How do I become a CalPIM Member?

# California Performance Improvement Management Network - CalPIM

- A joint venture between the California Department of Public Health (CDPH) and the County Health Executives Association of California.
- CalPIM helps support Accreditation, Quality Improvement, and related activities within local and tribal health departments across California.
- Website includes CalPIM Network contact list for all California LHDs as well as Tribal health entities, archived CalPIM Network webinars, and Accreditation and QI resources from the national, state and local level.
  - <http://www.cdph.ca.gov/data/informatics/Pages/CalPIMNetworkResources.aspx>
- Webinars are scheduled for every other month on topics of wide interest.

## California Performance Improvement Management Network Resources Page

The California Performance Improvement Management Network (PIM) helps support Accreditation, Quality Improvement, and related activities within local and tribal health departments across California. The California PIM Network is co-sponsored by the California Department of Public Health, Office of Quality Performance and Accreditation, and the [County Health Executives Association of California](#). Funding to create the California PIM Network was provided by the CDC [National Public Health Improvement Initiative](#). For more information, please visit the [Office of Quality Performance and Accreditation website](#) or send e-mail to [OQPA@cdph.ca.gov](mailto:OQPA@cdph.ca.gov).
