# CRDP Phase 2: Community Forum, Redding

*December 10, 2014*

## Community Forum Guidelines

- The intent of this forum is to share our ideas and obtain feedback from key stakeholders prior to the release of the solicitations. The written solicitations will document the final specifications and requirements for each solicitation
- Allow presenters to finish presentations. There will be time at the end of each presentation for questions and comments
- Listen actively. Respect others when they are talking
- Be solution oriented in your speech – provide constructive criticism
- Do not be afraid to respectfully challenge one another by asking questions, but refrain from personal attacks – focus on ideas
- At the end of each section we will have a question and comment portion. We will unmute the conference line at this point. To avoid confusion, please create a queue by posting the word “Comment” in the Q&A WebEx box, which will be time-stamped. We will call up each individual in order based on that queue
- If you are not speaking, please keep your line muted so to avoid background noise
- If you have any technical problems during the Forum, please email Dawn Munoz at [dawn.munoz@cdph.ca.gov](mailto:dawn.munoz@cdph.ca.gov) or call (916) 893-9946
