

## Home Medical Device Retail Program Overview

The California Department of Public Health, Food and Drug Branch, is pleased to announce three training opportunities relevant to the Home Medical Device Retail Program.

“**Home Medical Device Retail Program Overview**” is an introduction to the California Health and Safety Code, Division 104, Part 5, Sherman Food, Drug, and Cosmetic Law. Sections discussed include 109948, 109948.1 and 111656.1 through 111656.13. The topics will include Program History, Definitions, Licensing, Training of Staff, Patients, and Caregivers, Facilities, Cleaning, Storage, and Maintenance of Home Medical Devices, Quality Assurance, and Exemptions. The presentation of the regulatory requirements is an excellent foundation for managers, supervisors, and owners.
