## Community Forum Guidelines

- The intent of this forum is to share our ideas and obtain feedback from key stakeholders prior to the release of the solicitations. The written solicitations will document the final specifications and requirements for each solicitation
- Please turn off cell phone ringers
- Allow presenters to finish presentations. There will be time at the end of each presentation for questions and comments
- Listen actively. Respect others when they are talking
- Be solution oriented in your speech – provide constructive criticism
- Do not be afraid to respectfully challenge one another by asking questions, but refrain from personal attacks – focus on ideas
- Be conscious of body language and nonverbal responses
- If you are participating by WebEx/Dial-In and wish to submit a question or comment, please do so through the WebEx Q & A function. Joshua Rayburn will be monitoring the questions and provide time to address them in each Q & A session
- If you have any technical problems during the Forum, please email Dawn Munoz at [dawn.munoz@cdph.ca.gov](mailto:dawn.munoz@cdph.ca.gov) or call (916) 893-9946
