Addendum #3
January 13, 2016

This addendum modifies instructions and timelines regarding the I&E Program RFA. Please note the following changes and updates when developing your application:

I&E RFA:

In Section VII, Appendices, Attachments and Exhibits, B. Attachments, Attachment 5, I&E Budget-Invoice Template, referenced on page 44 of 49 is being replaced on the RFA Website due to the following:

- A. The yellow cell F2 on the Original Budget worksheet located below the words “FISCAL YEAR” is now unlocked.
- B. The Guide in the budget template has been revised to update the following:
 - “Budget Entries Step by Step Instructions” updated to read: “Using the one I&E Budget-Invoice Template, additional Fiscal Year (FY) budgets should be developed by using the “save as” function for each applicable FY”.
 - Links within each “step” now provide a direct link to the exact location on the budget worksheet to make applicable entries. (Note: In step 2, Cell 4 is locked until agreements are awarded).
- C. Cell M70 is now unlocked.
- D. The comment for cell F2 “Make sure to update the Fiscal Year on ‘DATA’ Sheet.” has been deleted as it did not apply.
