

Materials Survey: Youth Engagement, Physical Activity, Worksite and General Nutrition

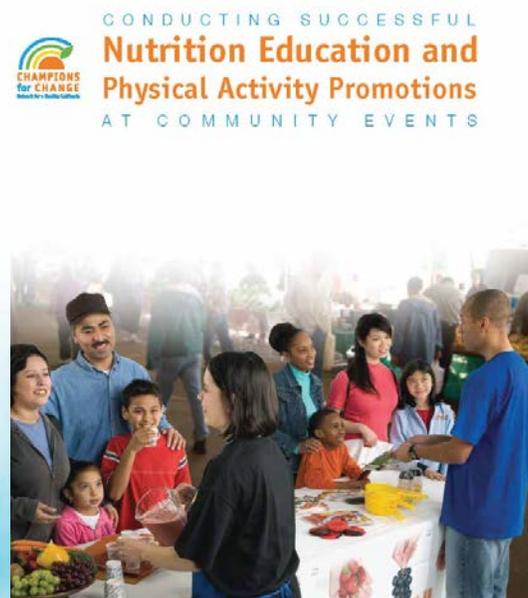

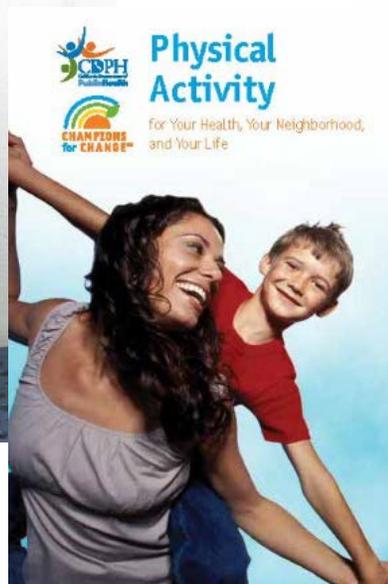

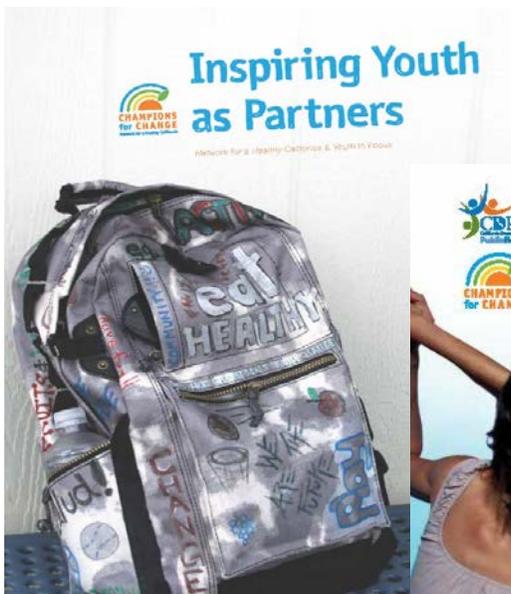

The Nutrition Education Obesity Prevention Branch (NEOPB) is working to update and streamline State level publications. The NEOPB began systematically reviewing materials from each of the Campaigns and Programs in January.

Using the Survey Monkey inquiry forum will provide an opportunity for you to identify the Youth Engagement, Physical Activity, Worksite and General Nutrition materials you find most useful, those needing updates, and identify any that are not used by your program.

Please take the following steps:

- Complete one response per Local Health Department:
<https://www.surveymonkey.com/r/ZK5LGD9>
- Check your best response for the three choices provided, using clear and specific recommendations for any additional comments you would like to share.
- Complete the survey by August 19, 2016.

If you have any questions email or call Eugenio Garcia at Eugenio.Garcia@cdph.ca.gov or 916.449.5331.
