

Getting Your School Wellness Policy Committee Engaged and Moving Forward

Date: August 24, 2016
Time: 1:30pm – 2:45pm

Overview

In this second of our School Wellness Webinar Series, participants will learn how to engage educators, students, parents and community stakeholders in developing and implementing school wellness policies that build healthy school environments.

Who should attend?

This training is intended for stakeholders who support, lead and/or contribute to School Wellness Policy Committee efforts.

Learning Objectives

Upon completion of this Webinar, participants will be able to:

- Describe the six steps to effectively build a school wellness team
- Use the CDC's Whole School, Whole Child, Whole Community model to identify critical audiences that get your school wellness policy committee engaged
- Discuss strategies for keeping school wellness committees engaged

What will be covered

- How to build your wellness team
- CDC Whole School, Whole Child, Whole Community model
- How to keep your school wellness committee engaged
