A few questions, to make sure you're ready to borrow the stencils:

- Do you have permission to paint at your facility? Are you sure?
- Do you have enough paint, in all the colors you need? (Water Soluble Paint preferable.)
- Do you have staff or volunteers scheduled and supplies ready for painting?
- Is the weather forecast good for painting?
- Is the surface swept, clean, smooth, and prepared for painting?
- Do you have ability to transport stencils without folding, rolling, or other damage? Sorry, no open pick-up trucks. Stencils are lightweight laminated cardboard (large kits are up to 4' x 7') .
- Stencil kits need to be returned within 10 business days.
- Are you able to take before & after photos of the play areas, and send them via email?
