

SUDDEN INFANT DEATH SYNDROME (SIDS): TRAINING FOR CHILDCARE PROVIDERS/FOSTER PARENTS

This training provides Childcare Providers and Foster Parents with information and materials on SIDS as set by California SB 1067 and California AB 757.

This training will include:

- What SIDS is and what it is not
- What to do during and after the emergency
- The investigation of the death
- How you may feel if a baby dies
- How to talk to and what you may expect from the other children in your care
- What to say to the parents of the SIDS baby
- What things you can do to reduce the risk of SIDS

WHO SHOULD ATTEND: Childcare Providers, Non-parental Caregivers, Foster Parents and anyone involved in the training of these infant care providers, and Regulatory Agency Staff.

DATE: *Month, Day, Year*
