

## California Sudden Infant Death Syndrome Program Compliance Monitoring Report Third Quarter July – September 2012

### Compliance for 2011

There have been 181 presumptive SIDS cases reported to the California SIDS Program for 2011 through October 25, 2012. Compliance for submission of Coroner Notification Cards (CNCs) is 98% and for Public Health Services Report (PHSR) forms compliance is 97%.

### Compliance for 2012

There have been 121 presumptive SIDS cases reported to the California SIDS Program for 2012 through October 25, 2012. Compliance for submission of Coroner Notification Cards (CNCs) is 90% and for Public Health Services Report (PHSR) forms compliance is 64%. Compared to the 3<sup>rd</sup> quarter report for last year (2011) there were 134 presumptive SIDS cases reported. Compliance for submission of CNCs compared to last year has decreased by 5% and compliance for submission of PHSR forms has decreased by 11%.

Quarterly compliance letters were mailed September 28, 2012 for those counties delinquent with submission of the State Coroner Notification Cards and Public Health Services Report forms for 2012. Seventeen (17) compliance letters were mailed to eight (8) County Coroner Offices. Thirty-two (32) compliance letters were sent to four (4) SIDS County Coordinators. See listing below for counties non-compliant with the SIDS mandate as of September 28, 2012.
