

California Sudden Infant Death Syndrome Program
Compliance Monitoring Report
Fourth Quarter
October - December 2011

Compliance for 2010

There have been 216 presumptive SIDS cases reported to the California SIDS Program for 2010 through January 13, 2012. Compliance for submission of Coroner Notification Cards (CNCs) is 100% and for Public Health Services Report (PHSR) forms compliance is 100%.

Compliance for 2011

There have been 168 presumptive SIDS cases reported to the California SIDS Program for 2011 through January 13, 2012. Compliance for submission of Coroner Notification Cards (CNCs) is 89% and for Public Health Services Report (PHSR) forms compliance is 95%. Compared to the 4th quarterly report for last year (2010) there were 210 presumptive SIDS cases reported. Compliance for submission of CNCs compared to last year has decreased by 5% and compliance for submission of PHSR forms has increased by 12%.

Quarterly compliance letters were mailed December 23, 2011 for those counties delinquent with submission of the State Coroner Notification Cards and Public Health Services Report forms for 2011. Eighteen (18) compliance letters were mailed to ten (10) County Coroner Offices. Six (6) compliance letters were sent to two (2) SIDS County Coordinators. See listing below for counties non-compliant with the SIDS mandate as of December 23, 2011.
