By the end of this training participants will be able to:

1. Discuss recent updates and trends in PrEP research.
2. Understand the current epidemiological trends of HIV/AIDS among Black MSM.
3. Discuss the results and implications of the recently released HPTN 073, Black MSM Prep Study.
4. Understand the need for theory-based culturally tailored PrEP programs for Black MSM.

The CDU PAETC Last Tuesday HIV Training Series is a free event for providers who serve patients living with HIV.
