

2017 Comprehensive Health Care Coverage

**All ADAP clients are strongly encouraged to enroll in health insurance.
ADAP can pay the premiums and outpatient medical out of pocket cost!**

Are you a lawfully present California resident?

Under the Affordable Care Act (ACA), all lawfully present California residents are able to obtain affordable health care coverage, regardless of any pre-existing conditions. Lawfully present California residents can obtain health insurance through Covered California.

When choosing a Covered California health plan, you should select the following metal tier, based on your income.

Silver -If your income is between \$16,395 - \$23,760* (139% - 200% FPL).

Platinum- If your income is \$23,761 or higher* (201% FPL or higher).

(*For a family size of 1, based on 2016 FPL)

If you are eligible for an Advanced Premium Tax Credit (APTC), you *must* select the full amount to be applied to your premium.

For more information or to enroll, visit the Covered CA website at: www.CoveredCA.com or call (800) 300-1506. Please see this list to find an ADAP site that also does Covered California enrollment: <http://www.cdph.ca.gov/programs/aids/Documents/ADAPandCCEnrollmentSites.pdf>

If you don't get coverage, you may have to pay a tax penalty of \$695 or 2.5% of your household income, whichever is greater!

Want to keep your doctor?

Before selecting a health plan, contact your doctor's office to find out which health plan network(s) they are in.

Are you *not* a lawfully present California resident?

ADAP clients who are not eligible for Covered California coverage because they are *not* lawfully present California residents, can enroll in an Off-Exchange health plan, including: Anthem Blue Cross, Blue Shield of California, Health Net and Kaiser Permanente.

When can I enroll in health coverage?

Open Enrollment for 2017 coverage for Covered California and Off-Exchange coverage is **November 1, 2016 through January 31, 2017**. **Special Enrollment periods** occur within 60 days of a qualifying life event such as: a job loss, death of a spouse, birth of a child, became a new resident of the state, released from incarceration, etc.

Get help paying for your health insurance costs!

Once you enroll in a health insurance plan, you can enroll in the Office of AIDS Health Insurance Premium Payment (OA-HIPP) Program. The OA-HIPP program would pay for your:

- ◆ Monthly health insurance premiums
- ◆ Outpatient medical out-of-pocket costs up to the healthcare plan's annual out-of-pocket maximum.

Talk to your enrollment worker for more information. Or, call 844-421-7050.

I have been given information about health care coverage available to me. I understand that having health care coverage is required by law and that I may incur a financial penalty if I do not have comprehensive healthcare coverage.
