Management Memorandum
Memorandum Number: 2013-03

DATE: September 17, 2013

TO: OFFICE OF AIDS-HEALTH INSURANCE PREMIUM PAYMENT
(OA-HIPP) ENROLLMENT WORKERS

SUBJECT: PAYMENT OF COVERED CALIFORNIA PREMIUMS

The purpose of this memorandum is to notify OA-HIPP Enrollment Workers that eligible clients who enroll in a health plan through Covered California can receive insurance premium payment assistance and drug deductible and co-pay assistance if they co-enroll in OA-HIPP and the AIDS Drug Assistance Program (ADAP). OA-HIPP's monthly premium limit of \$1,938 will remain unchanged at this time.

The Office of AIDS (OA) is currently working with Covered California to gather the information necessary to develop our processes for OA-HIPP payment of premiums for insurance purchased through Covered California. Once OA's processes are finalized, a management memo will be disseminated to ADAP and OA-HIPP Enrollment Workers that describes the benefits and options available through Covered California and documents OA-HIPP's processes, requirements and timelines for Covered California premium payment assistance. In addition, ADAP clients potentially eligible for insurance coverage through Medi-Cal Expansion or Covered California will receive a letter from OA informing them of the eligibility criteria and how to apply.

Thank you,
