**John O'Brien, PharmD**

*John O'Brien is a pharmacist specialist at the Ira Greene Positive PACE Clinic of Santa Clara Valley Medical Center and an Assistant Clinical Professor with the Division of Clinical Pharmacy at the University of California in San Francisco and the University of Pacific's School of Pharmacy.*

**Dinner and training materials will be provided**

**Date:** Wednesday January 20, 2010

**Time:** 6 PM to 7:30 PM

**Location:** Community Health Partnership, Inc.

100 N. Winchester Blvd., **Suite 368**

Santa Clara, CA 95050

---

By the end of this session, participants will be able to:

- Identify DHHS Guidelines for initiation of antiretroviral treatment (ARVs) in treatment naïve patients.
- Understand how co-morbid conditions such as Hepatitis C and cardiovascular disease impact HIV/AIDS patients.
- Understand the relevance of ARV adherence and how closely it is linked to resistance and virologic breakthrough.
- Identify at least two protocols that learners will be able to implement in their setting as a result of this training session.

**Please RSVP by phone or email**

**no later than Tuesday January 12, 2010 to**

**Lori Salmiery at Community Health Partnership's HIV**

**Services Department:**

**408-556-6605 ext. 221 or [lori@chpscc.org](mailto:lori@chpscc.org)**
