SEATING IS LIMITED.

PLEASE REGISTER TODAY!

This course is designed for physicians treating HIV and AIDS patients. Registered nurses, nurse practitioners and pharmacists are also welcome to participate.

Upon completion of this CME/CE activity, participants should be able to:

- Explain how recent study results in antiretroviral therapy apply to clinical practice.
- Discuss significant developments and strategies in antiretroviral therapy.
- Describe recent antiretroviral toxicity, drug interaction and side effect data and strategies for management.

To Register:

To register for this event, please visit www.simplyspeakinghiv.com using the provided event code (an invitation code does not apply). If you have any questions, please contact Amanda Alonso at Practice Point Communications at (813) 891-6999 or via email at aalonso@practicepointinc.com.

ACCREDITATION AND DESIGNATION STATEMENTS:

Physicians/Physician Assistants

 RUSH UNIVERSITY MEDICAL CENTER Rush University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Rush University Medical Center designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses/Nurse Practitioners

The Association of Nurses in AIDS Care is an approved provider of continuing nursing education by the Virginia Nurses Association Continuing Education Approval Committee, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This program is approved for 1.0 contact hours by the Association of Nurses in AIDS Care.

Pharmacists

The University of Florida College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (UPN#0012-9999-09-208-L02-P). This activity is accredited for one hour of continuing education credit. The University of Florida College of Pharmacy will mail Statements of Continuing Education Credit within 30 working days after receiving evidence of successful completion of the course. Successful completion means that you must attend the entire program and complete an evaluation form.
