

You know you're a Director in a Small County if.....

- **Cows outnumber both Humans and area of County**
- **On your drive to work you plan your dinner based on the roadkill**
- **You have more Small water systems than Restaurants**
- **You think BioTech refers to alternative septic systems**
- **Dress code for a Board Meeting is the same as to inspect a septic system**
- **The Board President owns that septic system**

You know you're a Director in a Large County if.....

- **Your staff is equal to the population in Lassen County**
- **Your staff call you Mr. Gale, sir**
- **The last time you saw a cow was at a farm in Berkeley?**
- **Your population understands what Red, Yellow and Green mean**
- **You know that nanotechnology is not a small issue**
- **Green has nothing to do with the logging industry**
