

# DEVELOP YOUR STORY

## STORYTELLING WORKSHEET: Your Story

### DEMONSTRATING OUR PUBLIC HEALTH COMMITMENT

Use this worksheet to tell your story of how your organization successfully works to address chronic disease prevention.

Briefly describe a success story that is unique to your organization.  
Who is/are your partner(s) outside public health? Describe how your partnership(s) formed.

What was/were the goal(s) you set out to achieve?

What was the outcome?

What resources did your organization use? Include partnerships.  
*Note the specific data, experts, or strategies.*

What were the ingredients that made your project successful?

*Staff who share common goals? Brainstorming around a shared problem?*

What do(es) your partner organization(s) or community representative say about working with you?

*Quote.*

What steps can you take to continue this project?

What did you learn from working on this project?

What advice do you have for other public health organizations working on a similar goal?
