

# The Century Ahead

## Tuberculosis Science, Public Health and Policy

**December 5, 2013**

**University of California, San Francisco, Laurel Heights Campus**

9:00 a.m. - 5:00 p.m., sign-in begins at 8:00 a.m.

*This symposium is intended for scientists, public health professionals and policymakers. The program will feature strategies necessary to contain and eliminate tuberculosis, building upon scientific and public health successes. The event coincides with the centennial of the California state tuberculosis program, established by the legislature in September 1913.*
