Fall Training Part I

Fresh Fruits and Vegetables: A Centerpiece for a Healthy School Environment

This free two-day training is designed for school personnel and community partners. It provides tools to support an increase of fresh fruits and vegetables on school campuses through fun, interactive, and skill-building activities.

DAY ONE – 8:30 to 3:45 pm

- A National Movement for Healthier Schools
- Communications and Connections
- HealthierUS School Challenge
- Culinary Skills from Garden to Classroom
- Collaborative Farm to School Efforts
- Promotions Bringing the Community Together
- Fill Up on Fall Fiber
- *Power Play! Campaign and Harvest of the Month*

DAY TWO – 8:30 to 1:00 pm

- Nurturing Plants and People: Garden-Enhanced Nutrition Education (GENE)
- Academic Connections to Nutritious Gardens
- Incredible Edible Six Plant Parts and GENE Lessons
- Noontime Forum: Keeping the Momentum

Register online at

<http://www.healthyschoolenvironment.org/workshop-registration>

Early registration encouraged - space is limited.
Please bring your own coffee, tea, drinks and "brown-bag" lunch.

Notes:

1. This is approved as a Shaping Health as Partners in Education (SHAPE) workshop.
2. If you are a Network for a Healthy California contractor, Day One is 100% Network allowable. Day Two is 100% allowable except the Noon-Time Forum that is held during lunch time

Offered in partnership with the University of California (UC) Santa Cruz; UC Davis; and the Resource Conservation District of Greater San Diego County. Fresh Fruits and Vegetables: A Centerpiece for a Healthy School Environment Trainings, Part I Fall/Winter 2010 are made possible by the California Department of Education and a Specialty Crop Block Grant from the California Department of Food and Agriculture. For questions, contact Emily Elliott, California Department of Education, at eelliott@cde.ca.gov
